ASSOCIATION

Section 1. Formation and Purpose. Developer has deemed it desirable for the efficient preservation of the values and amenities in McBRIDE ESTATES to create an agency to which should be delegated and assigned the powers of administering and enforcing the covenants and restrictions, collecting and disbursing the assessments and charges hereinafter established, and for the purpose of promoting the common interests of property owners in McBRIDE ESTATES in general. Pursuant thereto, Developer has caused to be incorporated under the laws of the State of Florida, a non-profit corporation, McBRIDE ESTATES OWNERS ASSOCIATION, INC., for the purpose of exercising the aforesaid powers. The Association shall have such powers in the furtherance of its purposes as are set forth in its Articles of Incorporation and Bylaws, and may be considered as promoting the common interest of McBRIDE ESTATES residents.

The Developer, or its appointee, shall serve as the Administrator until such time as the Developer has conveyed title to all of the lots to persons other than affiliates or subsidiaries of Developer, at which time there shall be an election by the membership to choose officers of the Association.

The Developer may retain the legal title to the Common Properties until such time as it has completed improvements thereon and until such time as, in the opinion of the developer, the Association is able to maintain the same.

The Association shall be responsible for the perpetual maintenance of the roadway easements conveyed unless or until the appropriate governmental body of Leon County, Florida, accepts this responsibility from the Association. The Association shall also be responsible for drainage easements, ponds, lakes, etc.

Section 2. Membership. Every person or entity who is a record owner of a fee or undivided fee, interest in any Lot which is subject, by covenants of record, to assessments by the Association shall be a member of the Association.

Section 3. Voting Rights. The Association shall have two classes of voting membership.

Class A. Class A Members shall be all those owners as defined in Section 2 with the exception of the Developer. Class A Members shall be entitled to one vote for each Lot in which they hold the interests required for membership by Section 2. When more than one person holds such interest or interest in any Lot, all such persons shall be Members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Lot.

Class B. Class B Members shall be the Developer. The Class B Member shall be entitled to three votes for each Lot in which it holds the interest required for membership by Section 1, provided that the Class B membership shall cease and become converted to Class A membership when the total votes outstanding in the Class A membership equals 75% of the total votes outstanding in both the Class A and Class B memberships, at which time the Class B membership shall be determined to be a Class A membership and entitled to vote as such.

No member shall be entitled to vote unless such member has fully paid all assessments as provided herein as shown by the books of the Association.

Section 4. Assessments. Creation of Lien and Owners Obligation. Each Owner by the acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, covenants and agrees to pay to the Association annual assessment and special assessments to be fixed, established and collected from time to time as herein provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as herein provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest and costs of collection thereof as herein provided, shall also be the personal obligation

of the person who is the record owner of such ^{DP-1351 PC-1156} property at the time when the assessment becomes due.

Section 5. Purpose of Assessments. The assessments levied by the Association shall be exclusively for the purpose of promoting the recreation, health, safety, and welfare of the Owners in the Property and in particular for the improvement and maintenance of properties, services, and facilities devoted to the purpose and related to the use and enjoyment of the Common Properties and of the homes situated upon the Property, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement, and additions thereto, and or the cost of labor, equipment, materials, management and supervision thereof and for the maintenance and operation of the Association and expenses incurred in the normal course of its affairs. In addition to the purposes mentioned above, the assessments shall also be used for the purposes of constructing, repairing, maintaining and improving all roads and road rights-of-way, streets, thoroughfares, ponds and easements now or hereafter situated upon the Property or serving any portion of the Property or the Common Properties, including costs of all labor, material, equipment, management, supervision, supplies, equipment rental and other matters relating to such repair, maintenance, improvement and construction.

Section 6. Annual Assessments. The initial annual assessment commencing with the calendar year 1988 shall be

\$100.00 per lot and shall be due and payable upon conveyance of Property by the Developer. The first annual assessment for the initial purchaser shall be prorated as of the date of closing. Each annual assessment thereafter shall be due and payable on the first day of January. The annual assessment may be increased by not more than \$200 per lot at the Board of Director's discretion. Thereafter the annual assessment may be increased by the Board not to exceed ten percent (10%) over the assessment of the previous year. The Board shall provide written notice of any change in the amount or due date of the assessment at least thirty (30) days in advance of such due date.

Section 7. Special Assessments. In addition to the annual assessments authorized herein, the Association may levy a special assessment, in any assessment year for that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement on the common areas, and any extraordinary expense of operation or maintenance, provided that any such assessment shall have the assent of two thirds (2/3) of the votes of members who are voting in person or by proxy at a meeting duly called for such purpose, written notice of which shall be sent to all members at least thirty (30) days in advance of said meeting. The due date of any special assessment levied shall be fixed in the resolution authorizing such assessment.

Section 8. Change in Maximum Annual Assessment Increase. DP-1351PC1158

The association may change the maximum amount of the annual assessment increase fixed herein (\$200.00) provided that such change shall be approved by two-thirds (2/3) of the votes of members who are voting in person or by proxy at a meeting duly called for such propose, written notice of which shall be sent to all members at least thirty (30) days in advance of said meeting and which notice shall set forth the purpose of the meeting.

Section 9. Quorum. The quorum required for any action authorized by the Change in Maximum Annual Assessment Increase provision or Special Assessment provision shall be as follows: At the first meeting called, as provided in those provisions, the presence at the meeting of members of or proxies, entitled to cast a majority of all votes of the membership shall constitute a quorum. If the required is not forthcoming at said meeting, another meeting may be called, subject to the notice requirements, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

Section 10. Duties of the Board and the Association. The Board shall cause to be prepared a roster of the properties and assessments applicable thereto, which roster shall be kept at the principal address of the Association. The Association shall, upon request, furnish to any Owner liable for the payment of

assessments, a certificate in writing setting forth whether said assessments against the Owners lot has been paid and the due date of the next assessment. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 11. Rights of Developer. Developer, shall be exempt from the payment of annual assessments against lots owned by Developer and held for sale in the normal course of business. Developer covenants and agrees that so long as this exemption is in effect, Developer, shall pay on behalf of or reimburse to the Association all expenses incurred by the Association, in performance of duties hereunder, in excess of the amount of assessment levied against owners other than Developer; provided, however, that in no event shall Developer be liable for payment of an amount in excess of the amount Developer would be obligated to pay for lots owned at the time of the expense, if this exemption from payment of annual assessments had not been in effect.

Section 12. Effect of Nonpayment of Assessments. If the assessments are not paid on the date when due then such assessments shall become delinquent and shall, together with such interest thereon and cost of collection thereof, including reasonable attorneys fees, as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then owner, his heirs, devisees,

personal representatives and assigns. The personal obligation of the then owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of twelve (12) percent per annum, and the Association may bring an action at law against the owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the cost of such action. In the event a judgment is obtained, such judgement shall include interest on the assessment as above provided and a reasonable attorneys fee to be fixed by the Court, together with the costs of the action.

Section 13. Subordination of the Lien to Mortgage. The lien of the assessment provided for herein shall be absolutely subordinate to the lien of any first mortgage now or hereafter placed upon the properties subject to assessments now or hereafter due and payable, but the lien thereby created shall be secondary and subordinate to any first mortgage as if said lien were a second mortgage, irrespective of when such first mortgage was executed and recorded.

ARTICLE XXIX

JOINDER BY ASSOCIATION

The Association joins with the Developer and agrees to accept all of the Association responsibilities which are described herein, including but not limited to maintenance of roads and other common improvements.

ARTICLE XXX

LIMITATION OF LIABILITY OF ASSOCIATION

Notwithstanding the duties of the Association specifically including but not limited to its duty to maintain and repair portions of the subdivision property, the Association shall not be liable to owners for personal injury or property damaged caused by a latent defect or condition of the property to be maintained and repaired by the Association or caused by acts of God or by third persons. As a member of the Association, each individual property owner specifically agrees and consents to this article.
